The Texas Department of Transportation (TxDOT) will conduct a Public Meeting for the purpose of soliciting public comment on the proposed reconstruction and widening of United States Highway (US) 380 from Loop (LP) 288 to West of County Road (CR) 26 (Denton/Collin County Line) in Denton County, Texas.

The proposed project would include reconstruction and widening of existing US 380 from a four lane undivided rural to a six-lane divided urban roadway consisting of two 12-foot wide inside travel lanes and one 14-foot wide outside shared-use lane (for bicycle accommodation) with raised median and curb and gutter in each direction. The proposed roadway also would include intersection improvements at designated locations. Left-turn and right-turn lanes would be added at designated locations. In addition, interchanges are also being proposed. A minimum of five-foot sidewalk would also be located along the outer lanes of the roadway. The proposed sidewalks would meet ADA design criteria. The length of the proposed project is approximately 14.72 miles. The proposed project would require approximately 22 acres of additional right-of-way. No residential or commercial property displacements or relocations would be required.

The meeting will be held at the **Navo Middle School, 1701 Navo Road, Aubrey, TX 76227 on Thursday, May 12th, 2016**. The Public Meeting will be an Open House format between the hours of 5:30 pm and 7:30 pm with no formal presentation. Maps showing the proposed project's location and geometric design will be available for viewing at the public meeting. The public meeting notice and venue map will also be available online at www.keepitmovingdallas.com under Upcoming Public Hearing/Meeting.

Written comments may be submitted either in person, or by mail to: Bruce Nolley, P.E., Texas Department of Transportation, Dallas District Office, 4777 East US Highway 80, Mesquite, TX 75150.
