CERTIFICATION OF OSSF REQUIRING MAINTENANCE

According to Texas Commission on Environmental Quality Rules for On-Site Sewage Facilities, this document is filed in the Deed Records of **DENTON** County, Texas.

I

The Texas Health and Safety Code, Chapter 366 authorizes the Denton County Environmental Health Department to regulate on-site sewage facilities (OSSF). Additionally, the Texas Water Code (TWC) 5.012 and 5.013 gives Denton County Environmental Health Department primary responsibility for implementing the laws of the State of Texas in Denton County relating to water and adopting rules necessary to carry out its powers and duties under the TWC. Denton County, under the authority of the TWC and the Texas Health and Safety Code, requires property owners to provide notice to the public that certain types of OSSF are located on specific pieces of property. To achieve this notice, Denton County requires a deed recording. Additionally, the owner must provide proof of the recording to the OSSF permitting authority. This deed certification is not a representation or warranty by Denton County of the suitability of this OSSF, nor does it constitute any guarantee by Denton County that the appropriate OSSF was installed.

II

An OSSF requiring a maintenance contract, according to 30 Texas Administrative Code 285.91(12) will be installed on the property described as:

Legal description: _____

Property Address: _____

The property is owned by: _____

This OSSF must be covered by a continuous maintenance contract or maintained per Denton County OSSF order. All maintenance on this OSSF must be performed by an approved maintenance company or per Denton County OSSF order. Signed maintenance contracts must be submitted to **Denton County Environmental Health Department** within 30 days after the property had been transferred when applicable.

The owner will, upon any sale or transfer of the above described property, request a transfer of the permit for the OSSF to the buyer or new owner. A copy of the planning materials for the OSSF can be obtained from **Denton County Environmental Health Department**.
