SURVEYOR'S STATEMENT

I, James Stowell, a Registered Professional Land Surveyor in the State of Texas, have prepared this plat of the above property from an actual survey on the ground, and this plat represents that survey made by me or under my supervision.

THIS DOCUMENT IS PRELIMINARY.

James Stowell, RPLS
Texas Registration No. 6513

- NOTES:**
- Bearings based on plat recorded in Cabinet N, Page 159.
 - Surveyor has made no investigation or independent search for easement of record, encumbrances, restrictive covenants, ownership title evidence, or any other facts that an accurate abstract of title may disclose.
 - No flood zone area analysis has been performed on the subject property by G&A Consultants.
 - According to Community/Panel No. 48121C0520G, effective April 18, 2011, of the FLOOD INSURANCE RATE MAP for Denton County, Texas & Incorporated Areas, by graphic plotting only, this property appears to be within Flood Zone "X" (areas of minimal flooding). This flood statement does not imply that the property and/or the structures thereon will be free from flooding or flood damage. On rare occasions, greater floods can and will occur and flood heights may be increased by man-made or natural causes. This flood statement shall not create liability on the part of the surveyor.
 - Selling a portion of this addition by metes and bounds is a violation of State Law and is subject to fines and withholding of utilities and permits.
 - Water Service to be provided by Cross Timbers Water Supply Corporation, 2032 E. Hickory Hill Road, Argyle, Tx 76226, Ph. 940-584-0780.
 - Sanitary Sewer to be handled by facilities approved by the Denton County, Health Department.
 - The maintenance of paving, grading and drainage improvements and/or easements shown on this plat are the responsibility of the individual property owner and does not constitute acceptance of the same for maintenance purposes by Denton County.
 - All surface drainage easements shall be kept clear of fences, buildings, foundation, plantings and other obstructions to the operation and maintenance of the drainage facility.
 - Blocking the flow of water or constructing improvements in surface drainage easements, and filling or obstructing the roadway is prohibited.
 - Denton County will not be responsible for any damage, personal injury or loss of life or property occasioned by flooding or flooding conditions.
 - The existing creeks or drainage channels traversing along or across addition will remain as open channels and will be maintained by the individual property owners of the lot or lots that are traversed by or adjacent to the drainage courses along or across said lots.
 - Construction not complete within the Commissioners Court approval shall be subject to current County Subdivision Rules and Regulations.
 - A driveway culvert permit must be obtained from the Road and Bridge Department by the owner of each lot prior to the construction, installation, or placement of any driveway access improvements within the dedicated right-of-way.
 - Denton County shall not be responsible for maintenance of private streets, drives, emergency access easements, recreation areas and open spaces; and the owners shall be responsible for the maintenance of private streets, drives, emergency access easements, recreation areas and open spaces and said owners agree to indemnify and hold harmless Denton County from all claims, damages and losses arising out of or resulting from performance of the obligations of said owners set forth in this paragraph.
 - The purpose of this Replat is to create two lots from one existing lot.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS: THAT WE, Ted J. Lyles and wife, Angela L. Lyles, do hereby adopt this plat designated herein as HAWK ROAD ESTATES, an addition to the Town of Bartonville, Denton County, Texas and does hereby dedicate, in fee simple, to the public use forever, the streets and easements shown thereon. The streets are dedicated for street purposes. The easements and public use areas, as shown, are dedicated, for the public use forever, for the purposes indicated on this plat. No buildings, fences, trees, shrubs or other improvements or growths shall be constructed or placed upon, over or across the easements as shown, except that landscape improvements may be placed in landscape easements, if approved by the Town of Bartonville. In addition, utility easements may also be used for the mutual use and accommodation of all public utilities desiring to use or using the same unless the easement limits the use to particular utilities, said use by public utilities being subordinate to the public's and Town of Bartonville's use thereof. The Town of Bartonville and public utility entities shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs or other improvements or growths which may in any way endanger or interfere with the construction, maintenance or efficiency of their respective systems in said easements. The Town of Bartonville and public utility entities shall at all times have the full right of ingress and egress to or from their respective easements for the purpose of constructing, reConstructing, inspecting, patrolling, maintaining, reading meters, and adding to or removing all or parts of their respective systems without the necessity at any time procuring permission from anyone.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the Town of Bartonville.
