

Most Common Scenarios

1-Registration and inspection already synced (expires in same month/year)

- Registration Expires April 2015
- Inspection Expires April 2015
- Must be inspected prior renewing registration
- Both will expire April 2016

2-**Registration** expires before inspection-
Renew registration as usual.

- Registration expires April 2015
- Inspection expires September 2015
- Renew registration in April and inspection will be “synced” to registration
- Both will expire April 2016

3- **Inspection** expires before registration

- Vehicle inspected as usual.
- *Keep V.I.R. in event electronic verification cannot be performed*
- Inspection expires March 2015
- Registration expires April 2015
- Inspect in March, renew in April
- Pay state inspection fee at time of registration
- Both will be “synced” to April 2016

4- Registration expired, Presented for renewal same month as Inspection expires

- Inspection expires same month as when vehicle being registered
- Must be inspected before renewing
- Registration expired February 2015
- Inspection expires March 2015
- Renewing in March 2015
- Must be inspected before registration issued
- Both will expire February 2016
