TAX OFFICE PARTNERS WITH KROGER FOR REGISTRATION RENEWAL LOCATIONS

Kroger is the newest sub-contractor of the Tax Assessor-Collector office to offer motor vehicle registration renewals in Denton County.

Beginning May 13, 2014, Kroger will offer registration renewal services at multiple locations around Denton County. A vehicle owner will need to provide their registration renewal form received from the Texas Department of Motor Vehicles and a valid form of insurance. All remote locations charge a service fee of \$1.00 for the issuance of the registration sticker.

“We are very excited to be working with Kroger on behalf of our taxpayers and motor vehicle owners. We hope that the additional remote locations will provide yet another option for our customers to renew their registration quickly and efficiently”, said Michelle French, Denton County Tax Assessor-Collector.

The Tax Assessor-Collector office already partners with Tom Thumb and AAA Texas LLC. With the inclusion of Kroger there are now 21 remote locations to choose from to renew motor vehicle registration. The remote locations are open weekdays, evenings and weekends during store or office business hours for the convenience of Denton County motor vehicle owners. Vehicle owners can also renew their registration online, by mail or in person.
