### Denton County Tax Office Upcoming Closures

Denton County Tax Office will be undergoing a Texas Department of Motor Vehicles (TxDMV) equipment replacement “refresh” program. The TxDMV requires that equipment be updated and replaced. The Tax Assessor-Collector office was notified that the project will begin in December and has worked with TxDMV to mitigate as much as possible interruption to the public. The project will require three of the tax office locations to be closed during business hours as shown below.

December 8, 2016: Carrollton Tax Office location will be closed.

December 14, 2016: The Colony and Cross Roads locations will be closed. *All other office locations open at 10 a.m.*

Except where noted above, all other tax office locations will be open during regular business hours.

Denton County Tax Office locations are available at <http://dentoncounty.com/Departments/Tax-Assessor-Collector>

Registration and property tax payments may be performed online by visiting <http://tax.dentoncounty.com>  
Remote locations providing registration renewal services are:
